Sir,

Sub: Communications - Bridges - South Kanara District - Construction of Pullur bridge on Kalladka - Kanhangad Road in Kasaragad taluk - Present stage.

Ref: Government Memorandum No.17311 A/54-1 dated 4-3-54.

The work of reconstructing the Pullur bridge across Chittar at Mile 65/3 of Kalladka-Kanhangad road was sanctioned under Post War Road Development schemes in G.O.No.2302 Public Works, dated 1-6-51. An estimate for Rs.51,000/- was sanctioned by the Superintending Engineer (Highways) in C.R. No.8/51-52. The present stage of the work is that the bridge has been completed except laying wearing coat and side wings which are expected to be completed before the end of May 1954 so that the new bridge will be available to traffic during the ensuing monsoon.

NOTE FOR SUPPLEMENTARIES.

plcf

The Member wants to know the present stage of the work of constructing the Pullur bridge in Kalladka Kanhangad road in Kasaragod taluk, South Kanara district and the amount of estimate sanctioned for the bridge work.

Not put up

In G.O.No.2302 Public Works, dated 1-6-51, the Government approved an estimate for Rs.50,500/- for the reconstruction of the Pullur bridge across the Chittar at mile 65/3 of the Kalladka Kanhangod road, which is a State Highway under the control of the Government. The Chief Engineer (Highways) has reported that an estimate for Rs.51,000/- for the work was technically sanctioned by the Superintending Engineer (Highways) and that the work was entrusted to the contractor in November 1951. He has stated that the bridge work has been completed except for laying wearing cost and side wings, that this part of the work is expected to be completed before the end of May 1954, and that the new bridge will be available for traffic during the ensuing monsoon.

It may be mentioned that as the bridge is on a State Highway, the Highways Department has provided a diversion road with a temporary structure across the River to permit through traffic.
